

A man with a beard, wearing a dark blue suit jacket over a pink shirt and light blue trousers, is riding a red bicycle on a bridge. He is smiling and looking towards the camera. The bridge has a metal railing and a chain-link fence. The background shows green trees and a building with a glass facade. A large blue speech bubble is on the right side of the image, containing text. The bottom right corner has an orange decorative graphic with a bicycle icon and text.
